

Give your employees a sense of purpose and impact.

Engage more with one click volunteering.

With Selflessly, your employees are engaged expertly with volunteer opportunities always being front and center. With one-click, your employees can help your brand engage in your community in meaningful ways. With thousands of volunteer opportunities in our catalog, your employees can quickly and efficiently determine where they want to spend their time, even virtually.

Key Features

Easy to Navigate Dashboard

Our dashboard makes it easy to engage your employees through easy to view volunteer opportunities, community spotlights, their giving history, volunteer hours logged, and non-profits assisted.

Intuitive Activity Feed

Your employees will see activity as it happens, highlighting the time, talent, and treasure that they are engaged in.

View Booked Opportunities

Our platform allows your employees to see their booked volunteer opportunities in a familiar format, similar to booking an appointment.

Impact Dollars

Engage your employees with Impact Dollars: a unique feature that allows you to add money to your employees' Selflessly accounts to give back to their community causes while also investing in your community.
