

# Volunteer opportunities at your fingertips, every day.

## VolunteerMatch integration included.

Learn more about volunteer opportunities in your area (and nationally) with our newly expanded catalog, courtesy of VolunteerMatch, for free.

Our catalog makes it perfect for remote teams as they look to making change in their local communities. In this extraordinary time, virtual volunteer opportunities are also very important. Our catalog is full of new opportunities to keep your employees engaged even from home.

## Key Features

### Create Volunteer Events

Create groups within your organization and challenge each other to create lasting and skills-based impact.

### Find Local & National Volunteering

Selflessly is proud to partner with VolunteerMatch to pipe in over 60,000 opportunities across the US! Remote team? No problem! Need virtual opportunities – we've got it!

### Purpose-Driven Reporting

Selflessly allows instantaneous access to your company's volunteering through unique backend reporting tools that show how your company is volunteering.

### Centralized Volunteer Time Off

Easy reporting on all your volunteering? Finding the top causes your employees care about? Selflessly has it all for you. Connect your employees with your company mission & values. Build stronger teams.
